## Shopping

Guangzhou used to be the starting point of the Maritime Silk Road of ancient China; trade and commerce made the city very prosperous at that time. The nowadays Guangzhou, as an important distributing center of the Southern China or even the whole China, large amount of the commodities are sold and exported here. With the complete commodity categories, the well-informed commodity information and the qualified service, Guangzhou has come to be a famous business center. With both high quality and reasonable price, the "Guang Huo" (Guangdong commodities) is popular all over the country. It is sure that the rich travel commodities and the fully spreaded shopping areas can meet visitors' different demands.

### Shopping Centers

#### Famous Shopping Streets

##### Shangxiajiu Road

Shangxiajiu Road is located in Liwan District from Shangxiajiu to Dishifuxi. The old buildings are kept well on both sides of the street, which make your shopping tour

more enjoyable.

Transport: It can be reached by public bus Nos. 2, 3, 6, 82 and 204 or subway to Changshou Rd. Station.

##### Beijing Road

Beijing Road, favorably located in the center of the city, used to be the most prosperous distributing center of commerce in history. The modern pedestrians-only street lives together with the ruins of One-Thousand-Year Ancient Road, creating a rare scene in modern cities. All vehicles are prohibited to enter the road at weekends and festivals, so as to make a relaxing and comfortable

Shangxiajiu Road
